MAYUKH CHATTERJEE

FRONTEND DEVELOPER

I have a strong foundation in the core concepts of React.js, along with proficiency in various CSS libraries such as Tailwind CSS, Framer Motion, and React Bootstrap. I also possess knowledge of back-end development using Firebase and CrudCrud for effective data management. Additionally, I have a solid understanding of data structures and algorithms (DSA). With a passion for creating visually appealing and user-friendly interfaces, I am eager to collaborate with cross-functional teams and contribute to the success of projects. As a motivated learner, I am committed to staying updated with the latest trends and technologies in the industry.
